The models are easy to use and completely modifiable, customizable and reusable - simply download, fill in your details, save and print. All our weekly planning models are empty, without macro, modifiable and printable and can be used for free for non-commercial use, provided that the Calendarpedia logo, the Copyright warning ("© Calendarpedia © www.calendarpedia.com") and the disclaimer ("data provided "as" without guarantee") are not removed. Manual for use at school and college, for domestic schools, work and in commercial situations, for class trips, activities, trips, summer camps, conferences and courses and for the planning of meetings of all kinds. Data provided "how" without guarantee and subjects to errors and changes without notice. Time for daily commissions, activities, weight loss plan, dietary plan, food plan, chores and appointments, the time of the plan with your children and family, use for a planner for power supply and Sleep, activity or exercise planner, dedicate time for your interests and hobbies or keep track of your goals. Read more on the various versions of words and file formats on Wikipedia. For weekly and daily time planning tools, consult our weekly and weekly planners (both without date). It remains organized with these flexible and easily printable weekly planners in Microsoft Word format. Other calendar models of free words are also available at the Microsoft Model Gallery (calendar section). If you have one of the previous versions of Word that supports only the ".doc" format (Word 2000, 2002/XP and 2003) or if you have not installed Word, USA Microsoft Office online or one of the Microsoft Microsoft Office alternatives alternatives Textmaker, LibreOffice Writer and Google Docs, who are all free (the OpenOffice writer unfortunately has formatting problems when opening our calendars) or use a DOCX TO DOC converter (available for online or offline use). Practical, customizable and versatile weekly Models suitable for a large variety of uses. All rights reserved. Not for commercial or resale distribution.
